

# Freedom to dream

A bathroom boasting a free-standing bath sets the scene for relaxation and tranquillity. It creates the perfect retreat where you can pamper yourself, daydream and recharge your batteries.

TILE AFRICA offers a range of luxurious baths including free-standing and spa baths. Set a romantic mood with an old-world Victorian claw-foot bath. While a slipper bath, where one end is slightly higher than the other, evokes images of yesteryear and times gone by.

*For a contemporary look,* opt for an acrylic wide-oval free-standing bath or one in a wooden frame. The Crystallite Venus Glass Bath is a unique and liberating bath design, featuring glass panels that overwhelms the bathroom with its 'by-the-ocean' ambience and provides the exhilarating experience of being encapsulated by water.

*"A free-standing bath is a real treat and adds elegance to any bathroom"*
