

Timeless tiles

with Tile Africa

Whether you want to spice up your patio for those warm summer nights or add some panache to your kitchen with a striking splashback, look no further than Tile Africa – the home owner's one-stop tiling solution store. With its extensive range of porcelain, ceramic, travertine, slate and sandstone tiles, you're sure to find the right tiles for any area of your home, from the bathroom wall to the patio floor.

Keep in mind that different tiles suit specific areas of the home, for example, ceramic and porcelain tiles are perfect for high-traffic living areas, due to their winning combination of beauty and durability.

The kitchen is the heart of the home, so give it the makeover it deserves with slip-resistant, durable nano tiles. Not only does it look fabulous, thanks to its increased shine and enhanced colours, but the nano-technology finish of polished porcelain tiles offers a bacteria and dirt-resistant product guaranteed to give you complete peace of mind.
