

Wall wonders

Transform your home's walls from so-so to sensational and break out of your décor rut. **TILE AFRICA** offers two winning wall tips and, thanks to their wide selection of borders, tiles and mosaics, you'll be able to create the thrilling look you want.

Add an X-factor to your home with stylish borders that glam up dreary walls from the bathroom to patio. Wide or narrow, horizontal or vertical, borders can be created with colourful mosaics, classy listelli or tiles cut into narrow strips.

'Borders allow you to add interesting texture to your walls and the creative possibilities are endless,' comments Kate van Niekerk, **TILE AFRICA** marketing manager.

TREND TIP 1

Inject colour and texture to walls with marvellous mosaics. 'Mixing materials is all the rage and adds interesting designs and grains,' says Kate. Take your walls from blah to bling with dazzling mosaic sheets that blend glass, marble and metallic finishes.

HOW TO Craft an eye-catching mosaic feature wall for your bathroom or entrance hall that will wow your guests and add oomph to bland walls.

TREND TIP 2

Add zing to your patio walls with the extensive selection of slate and sandstone tiles from **TILE AFRICA**.

HOW TO At **TILE AFRICA**, you will find tiles to suit every area of your home. Highly resilient natural stone tiles are perfect for outdoor areas.

'Tiles are extremely practical and easy to maintain and add value to your home,' comments Kate.
